

## Accurate Global Certification L.L.C.

### Health, Safety, and Environmental (HSE) Policy

At Accurate Global Certification L.L.C, we are committed to ensuring the health, safety, and well-being of our employees, contractors, clients, and all stakeholders involved in our operations. As a specialized pre-shipment inspection and product conformity assessment service provider. We recognize our responsibility to maintain high standards of safety, environmental protection, and compliance for establishing proactive safety culture

#### Policy Objectives

- **Compliance:** Ensure full compliance with all applicable regional and international legal requirements, including safety and environmental laws.
- **Risk Management:** Identify, assess, and mitigate health, safety, and environmental risks associated with inspection activities and implement risk control initiatives for improved safety
- **Safe Work Practices:** Provide employees and contractors with adequate personal protective equipment (PPE) tailored to specific inspection activities.
- **Employee Health and Well-being:** Conduct regular medical checks to monitor the health of employees engaged in inspection activities.
- **Training and Competency:** Provide comprehensive training programs to ensure employees and contractors are well-versed in HSE protocols.
- **Worker Consultation and Participation:** Establish channels for worker consultation and active participation in HSE matters and implement constructive feedback for improvement
- **Environmental Responsibility:** Minimize environmental impact by adopting sustainable practices in our operations. Ensure proper waste management and recycling processes during and after inspection activities.
- **Improvement:** Regularly monitor, measure, and evaluate HSE performance during inspections

Employees are responsible for ensuring compliance within their areas of responsibility, while all employees and contractors are expected to adhere to this policy and contribute to a culture of safety and environmental stewardship.
